## Accumulated

Total	4.50
Estimating that I will need to work until approx. 7:30 p.m. this Fri., Oct. 7 for Gladue interviews for Gladue case NW-185 & possibly case NC-140, then return travel from Sioux Lookout to Kenora. Given the NALSC early long weekend office closure of 3 p.m., this will result in estimated accumulated lieu time of 4.5 hours.	4.50
