Notes

Nov. 1/22 spoke to Nurse Practitioner and she is mailing a sick note for time off work from Monday to Thursday this week. She did explain she felt I should take Friday off as well, but I told her I should be able to return by Friday. And I am still ill so, called in sick again today. This note has not been received as yet in mail today. If not, I will get from Dr. office next week, when feeling better.
