2024-02-20 - 2024-02-23 / Cultural Leave Hello, Sir, I'm going to be taking the week and researching how (including but not limited to) the residential school system, day school, and how the sixties scoop, has effected my assigned satellite communities. I think I would be able to find a lot of information at the Lakehead University Library. I remember they had a specific section related to these issues. I will then be passing along that information the Gladue workers for their reports, as well using that same information to make sentencing submissions. I also could potentially write a few articles on such info. Thank you. Arturo	28.00
2024-02-14 - 2024-02-15 / Sick Mr. Caron, I fell ill and was not able to attend the conference for half of the afternoon on Tuesday and all day Wednesday. Also, on Thursday I was receiving numerous phone calls from the Office, but was not able to take them as I was not feeling well. Thank you. Arturo	14.00
